Sentencing Scoresheet Compliance Report

Executive Summary

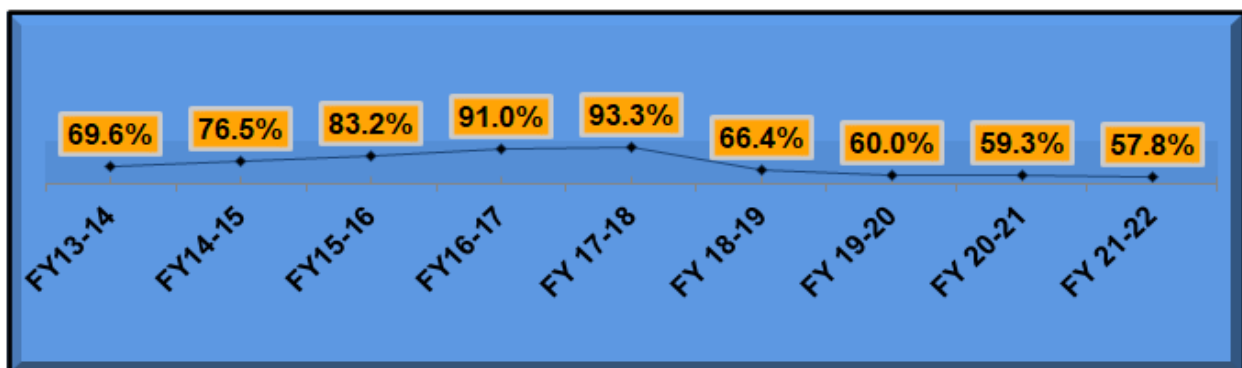

This report is in fulfillment of 921.002(4)(c) Florida Statutes, which requires that the Florida Department of Corrections shall, no later than October 1 of each year, provide the Legislature with a sentencing scoresheet compliance report. This report shows the rate of compliance of each judicial circuit in providing sentencing scoresheets to the Department.

NOTE: On October 1, 2018, the scoresheet process was digitized by the Department. This report reflects the number of scoresheets received and does not match a scoresheet to an admission event. This report only reflects the data received without edits and without attempting to fill in missing data.

Included in this report is the following information:

1. Using FY 2021-22 admissions to retrieve data on offenders sentenced between July 1, 2021 through June 30, 2022, to the Department of Corrections as a baseline for comparing scoresheet submissions, a compliance rate is provided for each judicial circuit and county. Admissions include all felons convicted and sentenced to state prison, probation or community control as well as modifications to and revocations of supervision. Verified scoresheets reported are those received through September 1, 2022. The statewide rate of compliance for this time-period is 57.8%.
2. For scoresheets received with sentence dates during FY 2021-22 (including those with non-department sanctions), county and circuit totals are provided.
3. Circuit and county totals for scoresheets with FY 2021-22 sentence dates are listed according to most severe type of sanction. Of the 70,295 scoresheets received, 16,345 (23.3%) had a state prison sanction, 26,374 (37.5%) received a probation sanction, 3,750 (5.3%) received a community control sanction, 14,229 (20.2%) received a county jail sanction, 9,324 (13.3%) had missing sanction data, and 273 (0.4%) were classified as “other distributions” such as probation termination, etc.

(Scoresheets Received for Offenders Sentenced between July 1, 2021 and June 30, 2022)**

Note: The Scoresheets Total represents all attested scoresheets received by the Department. This does not reflect a one to one match for each scoresheet with an admission event. Approximately **9,324** scoresheets are not calculated in the overall compliance rate due to unclear data. Those with undetermined sanctions are reflected on the sanction related tables and are indicated as "Sanction Undetermined." Admission event is based on a single, most serious sentence imposed event with sentence dates between July 1, 2021 through June 30, 2022. Additionally, there are 89 scoresheets missing judicial circuit data that are not counted in the overall compliance rate.
